Search for City Manager Will Soon Conclude

MELFORT (13 August)—The City of Melfort is hosting a public reception at the Neighbourhood Services Centre this Thursday from 5:00 p.m. to 6:30 p.m.

On this informal occasion, the three finalists for the position of city manager will introduce themselves. Afterwards, they will go around the room and meet with attendees, who will have the opportunity to ask the finalists any questions they might have.

Last June, stakeholders from a variety of organizations and interest groups were invited to a series of discussion sessions. The gatherings were led by representatives of Scheel Consulting, which specializes in the recruitment of executive-level personnel.

A key objective of these meetings was identifying the skills and qualities an effective city manager should possess.

“The information we collected enabled us to create a solid job description and profile of the type of official the city is looking for,” says Magda Solheim of Scheel Consulting. “The process was both thorough and inclusive, and I am therefore confident that city residents will be pleased with the outcome.”

E-mail	
To:	boardmembers@skenfound.org
From:	m.deleon@skenfound.org
Date:	April 22
Subject:	Fund-raiser proposals

Dear Board Members,

With regard to our annual fund-raising event, scheduled for July 18, I'd like to submit the following proposals for your consideration.

First, since the signs used last year to advertise the event are still in good condition, I suggest covering up the old date with labels that carry the date of this year's event. — [1] —. Doing so seems appropriate since our mission includes the promotion of recycling. In addition, not having to purchase brand-new signs will benefit our budget. — [2] —.

Second, I'd like us to modify the way we collect monetary donations. Ordinarily, volunteers collect donations at the event. I propose the use of an electronic donation kiosk instead. — [3] —. The procedure is simple: donors insert their bank card into the device and follow a brief set of basic instructions.

Details about these proposals, the second one in particular, will be provided at the next board meeting, originally planned for Tuesday, May 12, at 7:00 P.M. However, since our last meeting, several board members have informed me that they will be unavailable that day. — [4] —. Therefore, I suggest that we move the meeting to Tuesday, May 19, at 7:00 P.M. Let me know if this date suits you.

Maxine Deleon, President

Dear Business Owners,

I wanted to let you know about an upcoming party that Main Street Cinema will be hosting on the opening day of *Retirement*, which, as you may know, was filmed here in Nottingham. The party will be on 1 September, from 3 p.m. to 4 p.m. There will be giveaways, including posters and other mementos signed by the cast of the film. Land Developer Plans to Repurpose Strip Malls

By Ella Light

(April 17)—Ashley Waycroft, CEO of Belmont Developers, has announced plans to purchase four strip malls in the greater Minneapolis area. The storefronts of these one-level malls will be repurposed for use as apartments.

According to Waycroft, “As businesses in this area leave malls in favor of online stores, mall owners lose rent, and the city loses valuable tax revenue. Combine these issues with the city’s need for more moderate-income housing, and this venture has the perfect set of circumstances to make everyone happy.”

Perhaps the biggest problem Belmont faces is local zoning boards. To reach the desired number of apartments, Belmont needs to subdivide the stores. The zoning requirements will vary by location. Zoning laws in the suburb of Tansberg, for example, require residential units to be a minimum of 600 square feet.

This innovative venture could be an exceptional asset as unused property will be repurposed, and much-needed affordable housing will become available.

Dear Ms. Waycroft,

I read an article in the *Tansberg Variety* about your exciting plans to convert strip malls into apartments. My firm, Pace Interiors, is a full-service interior design firm. We handle all aspects of interior renovation and would love to be a part of your latest project at the Westerhood Mall.

Just last year we worked on a project to retrofit the old Grand’s Cereals warehouse into The Glades residential apartments. Our experience makes us a great fit for your project. I have attached some samples from our portfolio. They include images of the bathrooms, kitchens, and living areas at The Glades. I would be happy to show you more of our work in person. Would you have time in your schedule to speak with me on Monday afternoon?

I look forward to hearing from you soon.

Zachary Pace
